

Ticket arrangements for the AvD Oldtimer Grand Prix

Open seats	5,000 numbered and personalised seats per event day (7/8/9 August) will be opened in grandstands along the start and finishing straight, i.e. BMW M Power Tribüne (T3), Bilstein Tribüne (T4) and Mercedes Tribüne (T4a), each used at max. 30 per cent capacity.								
Health concept	<p>The grandstands are divided into separate sections and equipped with permanent seat shells. Square blocks, each with four connected seats, have been systematically formed here with adequate distancing from the next block. Consequently, up to four persons can sit side by side. Seats can exclusively be booked online by providing personal details. Ushers at the venue will ensure that everyone will take their assigned seat for the purpose of traceability in the event of infection.</p> <p>Visitors must also book a parking space in advance in the parking area assigned to their grandstand. From there a visitor guidance system will guide them to their grandstand, so that they will not run into visitors from other grandstands.</p>								
Booking	Tickets are exclusively sold online via www.nuerburgring.de/ogp
